was much disappointed to learn that the stock had all been sold

The amount of oil secured from an oil field may be almost un-

limited, (but the supply of stock in that field is very definitely

limited). If you want to buy stock in the Hueco Basin Oil company, my advice is, DON'T WAIT TOO LONG. Geological con-

ditions are ideal for the accumulation and storage of oil. In some

oil fields it is difficult to read the geological records, some of it has

to be guessed at. It is like trying to read a novel with some

of the chapters removed, but in the Hueco Basin field the geologi-

The climatic, scenic and recreational advantages of this outing region annually attract multitudes of summer visitors.

Smooth motor roads lead to high mountain passes; and trails lead to woodland glades "where the ground was never trenched by spade, and flowers spring up unsown." Lakes and rushing streams full of game fish.

Here are two National Parks, six National Monuments and more than twenty million acres of National Forests.
